Assignment 3

Option 1: Final Synthesis

A final synthesis should include:

- a video tour of your unit of learning
- your written reflection that will include
 - a summary of your flight path;
 - a substantive, comprehensive, and detailed reflection about your overall course experience; and
 - a substantive, comprehensive, and detailed ideas about next steps for you, in terms of your practice in educational technology. This could *include* what technologies you hope to explore moving forward, or how you plan on engaging as a lifelong learner in terms of educational technology.

Parameters

A video tour is a showcase of your Unit of Learning and it should be maximum 5 min. Focus on the elements you want to highlight, organization of the unit, piece you are the most proud of, maybe even challenges that you had. Tell us what you want us to learn about your work.

The length of the written part of the assignment should be no more than 1000-1500 words. **Remember that you still need to demonstrate the connection between theory and practice. Be sure to support your opinions and arguments cited relevant literature. Please use APA formatting style for your references.**
